Initial Effective Date: _____

_____ New Policy Proposal
 _____ Major revision of existing policy
 _____ Minor/technical revision of existing policy
 _____ ☒ Reaffirmation of existing policy

- A. **Policy Statement:** Policy for the usage and application of protocols approved by South Georgia Radiology Associates (SGRA).
- B. **Purpose:** To establish a process for appropriateness and necessity of ordered plain film procedures.
- C. **Scope:** This policy applies to all radiology personnel at each facility serviced by the medical staff of South Georgia Radiology Associates, LLC.
- D. **Procedure:**
- * Read over and confirm doctor's order.
 - * Review any x-ray/related exam reports
 - * Push prior relevant studies. Any exams that are 2 years old or older may have to be reloaded into SGRA and pushed with your current study.
 - * Do not assume printed requisition is correct.
 - * Please call SGRA for guidance from radiologists regarding any question you may have about any exam or protocol that may not be listed in this document.
 - * If your facility doesn't have the capability to perform a given exam, let SGRA staff know and a radiologist will advise on alternate sequences/protocol.
